## From the Bulletin Editor

No doubt, you've noticed some inconsistency in delivery of the Bulletin over the past few months.

The short story is that a change in PC forced a change in software, which has been discussed in previous Bulletins and in several Stated Meetings.

It took several calls to Adobe and some considerable extra time to get the software installed, but as of this writing, everything is working as intended.

I want to apologize for the inconvenience this has caused; believe me, I'm with you in wishing this process had been much smoother.

The Bulletin will be transitioned into the able hands of Brother Ernie Brown over the next few months; I hope you will be patient and supportive with him, and I again want to urge you to sign up for the e-Mail list. There is NO better way to keep up with McMillan Lodge news.

Fraternally,  
Steve Douglas, PM

## In Memoriam

**Marvin G. Goddard, PM**

We all lost a great friend, a beloved brother, and a wonderful man on July 12.

Marvin Goddard was a Past Master of McMillan Lodge, and was the Chair of Trustees at the time of his passing. His leadership in that role was especially vital during these past few economically turbulent months.

This picture from 2001 of Marvin with my son, Aaron, though, shows you what we all really loved and appreciated about Marvin. He was a kind, sweet man...simple as that.

Please keep Pauline and his family in your thoughts and prayers.

So mote it be.
